Voting and Quorum

The provisions governing the convening and holding of a meeting of the Noteholders are set out in the Agency Agreement, a copy of which is available for inspection by the Noteholders as referred to above. Such provisions are expressed to be modified and supplemented by the terms of the Extraordinary Resolutions set out above.

The quorum required at each original Meeting shall be at least two Voters (as defined in the Agency Agreement) representing or holding not less than three quarters of the aggregate principal amount of the outstanding Notes. If any Meeting is adjourned through want of a quorum, the quorum required at such adjourned Meeting shall be two or more Voters representing or holding not less than one quarter of the aggregate principal amount of the outstanding Notes. In each case, a single Proxy (as defined in the Agency Agreement) representing the aggregate principal amount of the outstanding Notes represented by a Global Note (as defined in the Agency Agreement) required for the quorum for the Meeting shall be deemed to be two Voters for the purpose of forming a quorum.

If within 15 minutes after the time fixed for any Meeting a quorum is not present, then it shall be adjourned for such period and to such place as the Chairman determines; provided, however, that:

1. the Meeting shall be dissolved if the Issuer and the Guarantor (acting together) so decide;
and
2. no Meeting may be adjourned more than once for want of a quorum.

The Chairman may, with the consent of (and shall if directed by) the Meeting, adjourn the Meeting from time to time and from place to place, but no business shall be transacted at any adjourned Meeting except business which might lawfully have been transacted at the Meeting from which the adjournment took place.

Paragraph 7 (*Notice*) of Schedule 2 (*Provisions for Meetings of Noteholders*) of the Agency Agreement shall apply to any Meeting which is to be resumed after adjournment for want of a quorum save that:

1. 10 days' notice (exclusive of the day on which the notice is given and of the day on which the Meeting is to be resumed) shall be sufficient; and
2. the notice shall specifically set out the quorum requirements which will apply when the Meeting resumes.

It shall not be necessary to give notice of the resumption of a Meeting which has been adjourned for any other reason.

To be passed, the Extraordinary Resolutions must be passed at the Meeting duly convened and held in accordance with the terms thereof and the provisions of Schedule 2 (*Provisions for Meetings of Noteholders*) of the Agency Agreement by a majority of not less than three quarters of the votes cast.

Noteholders should note these quorum requirements and should be aware that, if the Noteholders either present or appropriately represented at the Meeting are insufficient to form a quorum for the Extraordinary Resolutions, the Extraordinary Resolutions (and consequently, the Proposals) cannot be formally considered thereat.

Pursuant to the provisions of Schedule 2 (*Provisions for Meetings of Noteholders*) of the Agency Agreement, each question submitted to the Meeting shall be decided in the first instance by a show of hands, unless a poll is validly demanded before or at the time that the result is declared.

A demand for a poll shall be valid if it is made by the Chairman, the Issuer, the Guarantor or one or more Voters representing or holding not less than one fiftieth of the aggregate principal amount of the outstanding Notes. The poll may be taken immediately or after such adjournment as the Chairman directs, but any poll demanded on the election of the Chairman or on any question of adjournment shall be taken at the Meeting without adjournment. A valid demand for a poll shall not prevent the continuation of the Meeting for any other business as the Chairman directs.

The Issuer hereby demands that each question submitted to the Meeting shall be decided by a poll.

At any Meeting every person who is so present shall have, on a poll, one vote in respect of RUB 1 in aggregate face amount of outstanding Note(s) represented or held by him. A Voter shall not be obliged to exercise all the votes to which he is entitled or to cast all the votes which he exercises in the same way. In the case of a voting tie the Chairman shall have a casting vote.

If the relevant Extraordinary Resolution is duly passed, it shall be binding upon all Noteholders whether or not present at such Meeting and each of the Noteholders shall be bound to give effect to it accordingly. Notice of the result of every vote on any Extraordinary Resolution shall be given to the Noteholders and the Paying Agents within 14 days of the conclusion of the Meeting.

A Noteholder who has submitted a Voting Instruction in accordance with the procedures set out in the Memorandum need take no further action in relation to voting at the Meeting in respect of the Extraordinary Resolutions.

This notice and any non-contractual obligations arising out of, or in connection with, it shall be governed by, and shall be construed in accordance with, English law.
