Making of payments in the Fallback Currency

Pursuant to the new Condition 8(h) (*Payment in Fallback Currency*) of the section entitled "*Terms and Conditions of the Notes*" of the Base Prospectus, the Issuer is entitled, upon the occurrence of the Payment Disruption Event (as defined in the Amended and Restated Final Terms), to make any payment of principal, interest or other amounts under the Notes in any of U.S. dollars, Chinese yuan, United Arab Emirates dirhams, euros, British pounds or Swiss francs (as applicable to the relevant Series of Notes), at the Issuer's sole and absolute discretion, or, if the Issuer determines that none of the above currencies are freely available to the Issuer, such other currency eligible for clearance through the Clearing Systems, as selected by the Issuer acting in good faith and in a commercially reasonable manner.

it shall not constitute an Event of Default under the Notes and obligations of the Issuer to make payments under such Notes shall be deferred (with no additional interest, including default interest, accrued or payable on any such deferred amount) until such time as the relevant events which gave rise to the occurrence of the Infrastructure Disruption Event or Force Majeure Event (each as defined in the Amended and Restated Final Terms) cease to exist, *provided always that* if, as a result of the Infrastructure Disruption Event or the Force Majeure Event, the Issuer is required to procure any licence, consent, approval or permission (including from any government authority) to continue performing its obligations under the Notes, the Issuer may, but shall not be obliged to, seek any such licence, consent, approval or permission.

Introduction of the new payment mechanics

1. directly or through the relevant clearing systems or other financial intermediaries, including additional paying agents or settlement agents (the "**Direct Payment Option**");
2. through nominal accounts, escrow accounts or such other accounts opened in the name or to the benefit of some or all of the Noteholders (the "**Alternative Payment Option**"); and/or
3. in accordance with Conditions 8(a) (*Principal*) and 8(b) (*Interest*) of the Base Prospectus, to the Noteholders other than holders of the Notes in respect of which payments have been made or have been arranged to be made in accordance with the Direct Payment Option or the Alternative Payment Option.

Extension of the grace period

Based on the Condition 10(a) of the section entitled "*Terms and Conditions of the Notes*" of the Base Prospectus, the grace period for the payment of any amount of principal, interest or other amount under the Notes has been extended to a period which expires on the 30th Business Day from the date of the relevant written notice being delivered to the Issuer by any Noteholder.

Right of the Issuer to introduce other modifications to the transaction documents, including the Conditions

To ensure that the Issuer can promptly react to any changes of legal regime relating to the making of payments under the Notes, enable them to continue to make payments under the Notes as they fall due and ensure that the rights of the Noteholders are not materially prejudiced, the Issuer is authorised to amend the Conditions and agree to any amendments to the transaction documents, including the Fiscal Agency Agreement, in each case provided that such amendments are not materially prejudicial to the interests of the Noteholders as a class, and to enter into, execute and/or deliver any documents, deeds, agreements, notices, announcements and/or any other instruments as may be necessary, desirable or

expedient to enter into, execute and/or deliver in order to document and give effect to any such amendments, without the need for any further consent or approval (including, but not limited to, any Noteholder approval or consent).
